PRICE & LEE'S MULTIGRAPHED LETTERS REACH YOUR MAN

Direct advertising—personal letters—at scheduled intervals is a most effective method of getting results.

But—they MUST resemble the typewritten letter from salutation to signature, to reach your man.

Our multigraphed letters do this. They carry all the ear marks of a personal letter.

We give exact match on the fill-in.

Equipped to handle your mail advertising campaign, we write, address, mail—give complete supervision, at a reasonable charge.

A MAN can write his own sales literature just about so long. Then he commences to grow stale. The brightest of men fall victims to this strange malady but, only the really "big" ones admit it the others go "peggin' along, peggin' along, on the rocky road to Dublin!"

¶ If you have reached the stage where their doesn't seem to be a single new angle left from which to approach your subject, flash the "S. O. S." signal -send for us. We will dress up your sales letters, booklets, advertising matter to command attention.
